

NORTH TEXAS GIVING DAY 9.21.23

CELEBRATING 15 YEARS
OF COMMITMENT AND GENEROSITY.

COMMUNITIES FOUNDATION OF TEXAS

North Texas Giving Day is the largest regional one-day giving event in the nation, but even bigger than that, it serves as a day of unity and hope. In fact, our community of givers has created more than \$500 million in impact through NTX Giving Day since its inception. As nonprofits fill in the gaps for many critical needs, NTX Giving Day amplifies their stories, shares their impact and welcomes each person to be a part of something bigger than themselves. This regional celebration is the perfect opportunity for each person to support the causes that are nearest and dearest to them.

No matter who you are, there is something you can do to support your community.

So, how do **YOU** want to give back to your community?
